JOE GIARDELLO, Southwark, Pa.

*In the original official decision of the referee and judges, Giardello was awarded the verdict as follows: Judge Shortell, 7 rounds to 3 and 10 points to 4 for Graham; Judge Agnello, 6 rounds to 4 and 7 points to 4 for Giardello; Referee Miller, 5 rounds to 4 for Giardello and five points to each.

Commissioners Christenberry and Powell, after the decision was rendered, changed Joe Agnello's score card which resulted in awarding the verdict to Graham. On Agnello's score card, one extra point was awarded by the Commissioners to Graham in round four and the tenth round was taken from Giardello and given to Graham who also received two points in that round. Thus the score was changed to give Graham the official split decision on the basis of the revision of Agnello's card by the Commission to read, five rounds each with Graham ahead in points, 6 to 5, thereby reversing the original majority decision of the judges and referee.

When the case came before the State Supreme Court, Justice Botein ruled that the New York State Athletic Commission had no right to reverse the scorecard of the official and decided the actual decision to be the one originally given, in favor of Giardello.

Dec. 19—Joe Giardello, New York.....*L 10

*In the original official decision of the referee and judges, Giardello was awarded the verdict as follows: Judge Shortell, 7 rounds to 3 and 10 points to 4 for Graham; Judge Agnello, 6 rounds to 4 and 7 points to 4 for Giardello; Referee Miller, 5 rounds to 4 for Giardello and five points to each.

Commissioners Christenberry and Powell, after the decision was rendered, changed Joe Agnello's score card which resulted in awarding the verdict to Graham.

On Agnello's score card, one extra point was awarded by the Commissioners to Graham in round four and the tenth round was taken from Giardello and given to Graham who also received two points in that round. Thus the score was changed to give Graham the official split decision on the basis of the revision of Agnello's card by the Commission to read, five rounds each with Graham ahead in points, 6 to 5, thereby reversing the original majority decision of the judges and referee.

When the case come before the State Supreme Court, Justice Botein ruled that the New York State Athletic Commission had no right to reverse the scorecard of the official and decided the actual decision to be the one originally given, in favor of Giardello.
